

Sugar Kisses is a new kind of pastry shop. We endeavour to cater to a wide range of dietary alternatives but our primary specialties are Gluten-Free & Dairy-free baked goods. We use the freshest ingredients available to us and organic whenever possible.

This is just a small collection of the things that we have to offer. We also have fresh breads daily, cupcakes, bars and brownies and many other items to delight your taste buds. We hope you enjoy our treats half as much as we enjoy making them for you.

Sincerely,
Brian & Lisa
